Purpose of the Volunteer Handbook

Welcome to Meals on Wheels People! Volunteers are the heart and soul of Meals on Wheels People and we depend on more than 200 volunteers every weekday to help prepare meals, serve and deliver Meals on Wheels at our locations in Clark, Multnomah and Washington counties.

The Volunteer Handbook is designed to acquaint you with Meals on Wheels People (MOWP) and provide you with information about volunteering with our organization. The handbook has been organized by topic to help you find information easily. No handbook can answer all the questions you might have about our policies and programs. We encourage you to talk with your supervisor or volunteer coordinator if you have questions about the content of this handbook or your volunteer service with MOWP.

Volunteers should carefully review and familiarize themselves with the contents of the Volunteer Handbook as soon as possible, for it will answer many questions about volunteering with MOWP.

Thank you for giving your time and talent to help others. We hope you find volunteering with Meals on Wheels People a positive and rewarding experience.

“Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.”

Dr. Felice Leonardo Buscaglia

Volunteer Responsibilities to Disclose

The integrity of the organization is diminished whenever these standards are violated. If you become aware of facts or circumstances that you believe constitute a violation, you should promptly report the suspected violation to a member of Management or [Human Resources](#).

Drug-Free Policy

MOWP provides a drug-free environment in compliance with federal, state and local laws. The purpose of this policy is to reinforce the long-standing commitment of MOWP to provide a safe and healthy environment for all.

The use, possession, manufacture, and distribution, dispensation or sale of illegal drugs, alcohol, or any controlled substance on MOWP premises or program sites, in MOWP vehicles or during volunteer hours, is strictly **prohibited**. 2. “Legal Drug” means any prescribed or over-the-counter drug which has been legally obtained and is being used for the purpose for which it was prescribed or manufactured.

Here are the age requirements for each volunteer opportunity:

Central Kitchen

The age requirement to volunteer in the Central Kitchen or with Meals 4 Kids is 16 years and older. Any volunteers who are under the age of 16 must be accompanied by an adult *or* teacher if volunteering with a school. All kitchen volunteers must wear long pants and closed-toe shoes. Aprons, gloves and hairnets are provided.

You should only provide services or perform tasks as outlined in your volunteer duties description. Safety

To assist in providing a safe and healthy environment for volunteers, staff, participants and visitors, MOWP has established a workplace safety program. This program is a top priority at MOWP. Information is provided to volunteers about workplace safety and health issues through one-on-one training and regular internal communication channels. These may include supervisor-volunteer meetings, bulletin board postings, memos or other written communications.

Volunteers and supervisors receive periodic workplace safety training. The training covers potential safety and health hazards as well as safe practices and procedures to eliminate or minimize hazards.

In the case of an accident, regardless of how insignificant the injury may appear, you should immediately notify your supervisor.

Computer Usage

MOWP may provide computers, e-mail, and Internet access to assist volunteers in performing their duties. Computers, e-mail and Internet access should be used for MOWP business-related purposes only.

MOWP strives to maintain a workplace free of harassment and is sensitive to the diversity of its volunteers, employees and participants. Therefore, MOWP prohibits the use of computers and the email system in ways that are disruptive, offensive to others, or harmful to morale. This would include the display or transmission of sexually explicit images, messages and cartoons, as well as ethnic slurs, racial comments, jokes or anything that may be construed as harassment, inappropriate, unprofessional or showing disrespect towards others.

Open Door Policy

MOWP is committed to providing and maintaining productive and professional working relationships with all its volunteers. Part of this commitment is encouraging an open and frank atmosphere in which any problem, complaint, suggestion or question receives a timely response from MOWP supervisors and management. When lines of communication are kept open in all directions, individuals can jointly solve problems before they become unnecessarily complicated. If volunteers have concerns, they are strongly encouraged to voice these concerns openly and directly to their Supervisor, Human Resources or to any member of Management.

Mandatory Reporting Policy

This policy is designed to prevent physical, financial, sexual or emotional abuse of MOWP participants. As a MOWP volunteer you may come into contact with vulnerable populations during your daily work activities and therefore, you are the "first line of defense" against situations that are harmful but preventable.

All MOWP volunteers are expected to understand the definition and warning signs of elder abuse and neglect and report potential abuse or neglect to your supervisor or the appropriate aging and disability agency.

Definitions of Abuse or Neglect

Abuse of older adults or people with disabilities can be physical, verbal, financial or psychological.

Abuse can take many forms, including:

- Hitting or slapping
- Withholding food/medication/medical care
- Use of chemical and/or physical restraints
- Yelling, insults or threats of violence
- Misuse of funds
- Theft
- Fraud

Warning Signs of Abuse or Neglect

Warning signs of abuse include:

- Injuries incompatible with the explanation given
- Dramatic weight loss, dehydration or poor hygiene
- Untreated medical or mental health conditions
- Unpaid bills despite adequate assets
- Sudden appearance of new acquaintances
- Sudden absence of caregiver
- Enforced social isolation

Abuse can occur for a variety of reasons, but common contributing factors are:

- Stress created by the care needs of the senior or person with a disability
- Inadequate financial resources
- Isolation and lack of emotional support for people at risk and their caregivers
- Existing family problems and dynamics

Self-Neglect

Self-neglect occurs when, by choice or lack of awareness, older adults and people with disabilities live in ways that disregard their health or safety needs, sometimes to the extent that this disregard becomes hazardous to themselves or others.

Older adults and people with disabilities who neglect themselves are not willing or able to perform essential self-care tasks such as providing food, clothing or adequate shelter; obtaining adequate

medical care; obtaining goods and services necessary to maintain physical and mental health, well-being, personal hygiene and general safety and managing financial affairs.

Reporting Procedures

All volunteers are required to immediately report suspected activities identified above to a MOWP supervisor. Supervisors receiving reports must contact the appropriate aging and disability protective service agency and document the report.

Anti-Discrimination and Harassment Policy

MOWP is committed to providing an environment free of unlawful discrimination or harassment. MOWP's policy prohibits sexual harassment and discrimination or harassment because of race, religion, gender, sexual orientation, national origin, ancestry, marital status, age, or any other basis protected by federal, state or local law. MOWP's anti-discrimination and harassment policy applies to all persons involved in its operations and prohibits discrimination or harassment by any of its employees, volunteers and participants.

Harassment

Harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, color, religion, gender, national origin or age or any other protected class or that of their relatives, friends, or associates. Harassing conduct includes, but is not limited to epithets, slurs, negative stereotyping or threatening, intimidating or hostile acts; written or graphic material that denigrates or shows hostility or aversion toward an individual or group and that is placed on walls, bulletin boards or elsewhere on MOWP's premises or circulated in the workplace.

Sexual Harassment

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct that occurs because of a volunteer's sex or gender and has the purpose or effect of unreasonably interfering with an individual's work or creating an intimidating, hostile or offensive environment.

Complaint Procedure

If a volunteer believes they have been subjected to discrimination or harassment, they should immediately report the matter to their supervisor or in their absence, [Human Resources](#). If Human Resources is unavailable or if the volunteer believes it would be inappropriate to contact their supervisor, the volunteer should contact the department director, Chief Executive Officer or other appropriate management personnel.

MOWP will investigate all complaints of discrimination or harassment. To aid in the investigation, volunteers are strongly encouraged to include in the complaint the details of the incident or incidents, the names of the individuals involved and the names of any witnesses.

If MOWP determines that discrimination or harassment has occurred, effective remedial action will be taken commensurate with the severity of the offense.

It is every volunteer's responsibility to read and support the harassment policy. All volunteers must pledge to promptly report violations if they witness or are a victim of such misconduct.

HIPAA and Confidentiality of Information

All MOWP volunteers are required to respect and maintain the confidentiality, both during and after their volunteer service with MOWP, of all MOWP trade secrets and proprietary information, including but not limited to participant information, business documents, reports, records, files, and correspondence and communications, to which the volunteer has access in carrying out their responsibilities and duties. None of the above may be copied or removed from the premises of MOWP without prior written consent from the volunteer's manager. The names and addresses of MOWP donors are also considered confidential, as well as any and all participant and volunteer information. Release of confidential information to any unauthorized parties must be approved in advance in writing by the Chief Executive Officer.

All Volunteers are expected to show the highest regard for the privacy of each participant by observing strict regulations created by the Health Insurance Portability and Accountability Act (HIPAA) which protects the confidentiality of participant information on record with MOWP. Confidentiality is essential to the sound relationship with our participants. It is also a legal and ethical matter of the utmost importance. All volunteers are to exercise great care when discussing participant services. Care should be taken to prevent discussions regarding participant services from being overheard by other participants, volunteers or staff members not involved in such services.

Any inappropriate discussion of participant information or similar violation of these standards may result in immediate termination of volunteer service. Volunteers must not disclose information for any purpose without written consent of the participant, the participant's attorney, or the participant's guardian, except as may be required by funding agencies, or directly connected with arranging for services to be provided, or administration and development of the program.

Volunteers have an obligation to report violations or suspected violations of these prohibitions to their immediate supervisor or Human Resources.

Conflict of Interest

MOWP has adopted a conflict of interest policy which is designed to help volunteers of MOWP identify situations that present potential conflicts of interest and to provide MOWP with procedures to appropriately evaluate transactions where potential conflicts arise.

Each volunteer must act in all matters in a manner that will safeguard the reputation and integrity of MOWP and will preserve and strengthen public confidence in MOWP activities. Likewise, volunteers should refrain from engaging in any transaction in which personal interests conflict, potentially conflict or appear to conflict with those of MOWP. An actual or potential conflict of interest occurs when a volunteer is in a position to influence a decision that may result in a personal gain for yourself or for a relative as a result of MOWP's business dealings. For the purposes of this policy, a relative is a person

who is related by blood or marriage, or whose relationship with the volunteer is similar to that of persons who are related by blood or marriage.

No volunteer shall accept payment of any kind (including gifts, cash, discounts, concessions, services or other similar item or benefits) for services rendered as part of his or her volunteer service.

No volunteer shall use MOWP stationery or any title of MOWP or refer to MOWP or misidentify themselves as an employee thereof in connection with any matter as to which they are not authorized as a representative of MOWP and to express an opinion on its behalf.

Participation in any activity prohibited by this policy can result in the termination of volunteer service.

Solicitation Policy

MOWP prohibits any volunteer from soliciting any of its participants, staff, volunteers or visitors and/or distributing any literature, pamphlets or other materials on MOWP premises, except for approved MOWP business.

MOWP prohibits any volunteer from soliciting, collecting from, or selling to any other volunteer, staff or participant during the working time of the soliciting person or of the person being solicited. In addition, the posting of written solicitations on company bulletin boards is prohibited. Such boards are reserved for official organization communications such as federal and state labor law information, community partner, volunteer and staff announcements, internal memoranda, organizational announcements, etc.

Any violation of this policy may result in immediate termination of volunteer service.

Whistleblower Protection Policy

MOWP requires its directors, officers, employees and volunteers to observe high standards of business and personal ethics in the conduct of their duties and responsibilities.

MOWP has adopted a Whistleblower Protection Policy. The policy is intended to encourage and enable employees and volunteers to raise concerns with MOWP without fear of retaliation. Following are examples of concerns that should be reported:

- Suspected illegal activity or noncompliance with laws, governmental rules and regulations or financial disclosures, accounting, internal accounting controls or auditing matters.
- Conflicts of interest
- Disclosure of confidential information
- Discrimination or harassment
- Donor stewardship – failure to provide due care with respect to donations
- Falsification of contracts, reports or records

- Safety – failure of meeting requirements needed to perform all duties in a secure environment or as specified by MOWP procedures.
- Theft
- Violation of MOWP policies or procedures

Reporting Procedures

Use of Personal Vehicles for MOWP Business

Some positions will require the use of a volunteer's private vehicle. Maintaining a valid driver's license and current auto insurance is a requirement for these positions.

If a private vehicle is used for MOWP purposes, the following will apply:

Valid Driver's License

All operators of personal vehicles on MOWP business must have a valid driver's license. No volunteer with a suspended license may operate a vehicle on MOWP business until the license has been reinstated.

Insurance

All volunteer drivers of personal vehicles on MOWP business must have full liability insurance (personal injury and property damage) in at least the minimum limits required under state law. No volunteer with expired insurance may operate a vehicle on MOWP business until the insurance has been renewed.

All volunteer drivers of personal vehicles on MOWP business agree to release MOWP from all liability relating to injuries that may occur during their volunteer activities and agree to hold **MOWP** entirely free from any liability, including financial responsibility for injuries incurred, regardless of whether injuries are caused by negligence.

Operating Expenses

MOWP will reimburse volunteers using a personal vehicle on MOWP business at a rate set by the Chief Financial Officer to cover all operating expenses. Mileage report forms must be completed and

submitted monthly for reimbursement to occur. Failure to do so within 30 days may result in the mileage not being reimbursed. Failure to request reimbursement will not make MOWP responsible for any costs, damages or claims.

Since mileage reimbursement covers all operating expenses (including insurance), a volunteer will be required to use their own insurance to cover any accidents, vandalism or theft that might occur on these occasions.

Safety

MOWP expects volunteers to operate personal vehicles in strict compliance with all traffic laws and regulations. Driver and passengers are all required to wear seatbelts.

Traffic Violations

A volunteer who receives any parking or traffic citation while using their personal vehicle on MOWP business is responsible for all fines, court costs, etc.

Any violation of the above policy regarding vehicles or misrepresentation of eligibility to use a personal vehicle on MOWP business may result in termination of volunteer service.

Return of Property

Volunteers are responsible for MOWP property which includes all materials, files, keys, passwords or any other written or electronic information issued to volunteers or in volunteer's possession or control. All MOWP property must be returned on or before your last day. MOWP may take all actions deemed appropriate to recover or protect its property.

Volunteer Handbook Acknowledgement
